Greetings

The International Christian University welcomes you to the 23rd ICU Tournament.

This year's tournament is special. We are joining the ICU's celebration of its sixtieth anniversary with a record number of participants from around the world. Approximately three hundred debaters will be gathered on ICU campus as contestants, judges, and organizing staff, representing ten countries.

The ICU Debating Society is honored to be able to host once again this international collegiate debating tournament. It is very exciting to see the tournament grow steadily in its size, quality, and competition level as the only one of the kind in Japan.

Over the years I have had the pleasure of associating with the debating society at ICU, I have been very impressed by the commitment of the students and the comradeship of folks in the global debating community. I am confident that this year's tournament will showcase the same.

I sincerely wish the best to each and every participant and to the tournament's success and hope you will all enjoy the tournament.

With very best wishes,

Yoshi Hongo
Associate Professor of Communication
Advisor to the ICU Debating Society

I am very proud to welcome you to 23rd ICU Tournament, the largest and most diverse international tournament to ever occur in Japan.

This year, we also have the honor of being admitted as one of ICU's 60th anniversary events. I, on behalf of the committee, would like to sincerely thank International Christian University for all of the help and the support.

To the participants, I hope you enjoy having the opportunity to debate with debaters from different countries, backgrounds, and cultures in the ICU Tournament. May all of you leave Japan with unforgettable memories and even more of a passion for debating.

It has been an honor to participate with you in this event and I wish you all the best. Thank you

Emiko Imori
Convenor
